Présentation

Description

During this 1-day conference a group of international business practitioners will successively present their professions and professional experiences : area managers, export consultants, logistics officers, bank executives, export public agencies officers, sourcing officers, etc. The conference goal is to inform the students about the jobs, tasks and missions they may decide to do when they graduate. Guest speakers will share their expertise in an inspiring way, some of them being IAE alumni. The event also offers networking opportunities for the students.
