## Présentation

### Description

This course is aimed at improving communication in English, for life in general and work in particular. It focusses on communication, particularly oral, and aims to increase level, self-confidence and enjoyment. It is a real-life based course, centred on the students, using authentic material in a blended learning situation.

### Objectifs

The aim of the course is to improve student's ability to understand and be understood when using English both inside and outside the workplace. To increase self-belief in their ability to communicate in any situation and not fear an impromptu need to use English. The student should be B2/C1/C2 level at the end of the course.
